Dear Potential 2017 4-H Horse Booster:

It has been shown that young people who interact with and care for animals, become more caring adults. The 4-H Horse and Pony project is meant to enrich that experience. We offer organized clinics and opportunities for members to show their animals, allowing them to learn leadership and cooperation. 4-H Club activities are meant to expand the knowledge of proper care of horses. In addition, it provides an opportunity for young people to become more confident as they interact with adult 4-H volunteers and other 4-H members.

Some of the activities that we offer each year do have additional expenses that cannot easily be paid for with normal membership fees. We opt to seek donations from the community to offset these expenses so that we can provide the best program experience possible. That is where you can help. Your donation will assist the Allen County 4-H Horse & Pony Program throughout the year.

All donors will be listed on the sponsor board and on the 4-H Horse & Pony website. We announce current sponsor names throughout the day at our Open Shows. All sponsors will be invited to the Allen County 4-H Horse and Pony Year End Banquet. Finally, note that your donation is tax deductible.

If you can assist with the Allen County 4-H Horse and Pony Booster program, then please complete the receipt and return the bottom portion with your payment. Checks should be made payable to: **Allen County 4-H Horse and Pony** and not to the 4-H member. The 4-H Horse and Pony program is a not-for-profit program so your donations are tax deductible.

If you have any other questions, please contact 4-Horse and Pony Volunteer: Lisa Didion at 260-740-8313.

Your support is greatly appreciated by the 4-H Horse and Pony members.

Sincerely,

Barb Thuma
