

May 15, 2020

Dear Allen County 4-H Families,

Hopefully by now you have seen Purdue's announcement that we may move forward with the planning for county fairs in July in accordance with the governor's Back on Track Indiana plan. As long as Allen County remains in stage 5 by the time our fair starts on July 28, we will be permitted to hold the Allen County Fair. However, I want to stress that the fair will look very different this year based on federal, state, and local restrictions.

We will be communicating those changes in the coming weeks. In the meantime, please continue to work on your 4-H projects and call your leaders or the office with questions. We know this has been a difficult year for everyone, please know that the 4-H staff is here to help.

I can't stress enough how thankful Jean and I are for your continued patience and flexibility throughout this pandemic.

Together, we are 4-H Strong.
